

DYNAMO

Contractors pricelist

Modules for Microsoft Dynamics 365 Business Central 13/14 & Dynamics NAV (C/AL)

Valid from 01.01.2021

How to use this price list

The modules listed here are **exclusively available for Microsoft Dynamics 365 Business Central 13 / 14 and for running Microsoft Dynamics NAV installations (C/AL)**. The availability is indicated on a module-specific basis.

The **DYNAMO|Payment** products cannot be used for Microsoft Dynamics 365 Business Central 15 and newer.

For these versions, please use our **DYNAMO (AL)** product range. The modules listed there have their own IDs and names and can be licensed as well as a purchase license or as a subscription solution via the Microsoft Partner Source Business Center. As an app, you can find the solution in the Microsoft AppSource.

The **DYNAMO (AL)** modules can be found in the separate price list **DYNAMO**; the pricing is also available on our landing page dynamo365.de.

DYNAMO for Dynamics

NAV Perpetual (2018, 2017, 2016) / 365 Business Central on premises 13 and 14

DYNAMO | Payment – purchase of modules

Module name	Module ID	UVP (€)	PLP (€)	annual fee (€)
DYNAMO Payment Essentials^{1),2)} DYNAMO Zahlungsverkehr Essentials	5001900	0,00	*	180,00
DYNAMO Payment Standard²⁾ DYNAMO Zahlungsverkehr Standard	5001960	1.500,00	1.500,00	240,00
DYNAMO Payment Professional²⁾ DYNAMO Zahlungsverkehr Professional	5001970	2.950,00	2.950,00	472,00
DYNAMO Payment Enterprise DYNAMO Zahlungsverkehr Enterprise	5001980	4.950,00	4.950,00	792,00
DYNAMO Payment National+³⁾ Parallel use of various country-specific formats	5002000	900,00	900,00	144,00

¹⁾ The conclusion of a maintenance contract for 3 years at the time of module purchase is obligatory.

²⁾ Payment formats for one country included.

³⁾ Can be used in addition to the modules DYNAMO | Payment Standard and DYNAMO | Payment Professional; included in the module DYNAMO | Payment Enterprise.

UVP = Non-binding sales-price for end customers. PLP = Protected List Price as the basis for calculating the maintenance fee. Prices in foreign currency available on request.

The conclusion of a maintenance contract for one year at the time of module purchase is obligatory; for the module DYNAMO | Payment Essentials the minimum term is three years. Concluded maintenance contracts shall be automatically extended by one year unless the contracting parties proceed an accordance with clause IV 2 of the partner contract. The termination of maintenance for an individual license is possible up to 30 days before the renewal date in each case.

The annual maintenance fee is - if not marked seperately - 16% on the PLP.

Upgrades from older Microsoft Dynamics NAV-Versionen are only available to customers with an active Microsoft- and DYNAMO maintenance contract. Without a valid maintenance contract, proper fuctionality of later versions cannot be assumed. AKQUINET cannot be held liable for this. If maintenace is resumed, the elapsed period up to a maximum of three years will be charged at 16% of the current PLP according to the price list. The resumption of maintenance shall otherwise be carried out at the PLP / fees of the currently valid price list.

DYNAMO Payment Essentials¹⁾ DYNAMO Zahlungsverkehr Essentials	5001900	15,00
DYNAMO Payment Standard¹⁾ DYNAMO Zahlungsverkehr Standard	5001960	25,95
DYNAMO Payment Professional¹⁾ DYNAMO Zahlungsverkehr Professional	5001970	49,95
DYNAMO Payment Enterprise DYNAMO Zahlungsverkehr Enterprise	5001980	84,95
DYNAMO Payment National+²⁾ Parallel use of various country-specific formats	5002000	19,95

¹⁾ Payment formats for one country included.

²⁾ Can be used in addition to the modules DYNAMO | Payment Standard and DYNAMO | Payment Professional; included in the module DYNAMO | Payment Enterprise.

Prices in foreign currency are available on request.

DYNAMO | Payment PMT

(up to and including NAV 2017)

The modules **Electronic Payment (ID 5001910)** and **Foreign Payments (ID 5001920)** are available on request. Please note that newer functions (as of November 2017) are not available for these modules. For price information and for the maintenance modalities, please contact us.

DYNAMO | Financial modules - purchase

Module name	Module ID	UVP (€)	PLP (€)	annual fee (€)
DYNAMO G/L open items & application (starting from NAV 2013) DYNAMO Sach-OP & Ausgleich	5370530	950,00	950,00	152,00
DYNAMO Customer & Vendor Netting (starting from NAV 2016) DYNAMO Debitorsch-kreditorische Verrechnung	5370410	1.450,00	1.450,00	232,00

UVP = Non-binding sales-price for end customers. PLP = Protected List Price as the basis for calculating the maintenance fee. Prices in foreign currency available on request.

The conclusion of a maintenance contract for one year at the time of module purchase is obligatory. Concluded maintenance contracts shall be automatically extended by one year unless the contracting parties proceed in accordance with clause IV 2 of the partner contract. The termination of maintenance for an individual license is possible up to 30 days before the renewal date in each case.

The annual maintenance fee is - if not marked separately - 16 % on the PLP.

Upgrades from older Microsoft Dynamics NAV versions are only available to customers with Microsoft and DYNAMO maintenance contract. Without a valid maintenance contract, proper functionality of later versions cannot be assumed. AKQUINET cannot be held liable for this. If maintenance is resumed, the elapsed period up to a maximum of three years will be charged at 16 % of the current PLP according to the price list. The resumption of maintenance shall otherwise be carried out at the PLP / fees of the currently valid price list.

DYNAMO | Financial modules – Subscription, SPLA

Module name	Module ID	Monthly net purchase price (€)
DYNAMO G/L open items & application (starting from NAV 2013) DYNAMO Sach-OP & Ausgleich	5370530	20,95

Module name	Module ID	UVP (€)	PLP (€)	user fee(€)
DYNAMO EFT Connector Pepper bundle	5351720	249,00	249,00	55,00
DYNAMO EFT Connector single Pepper	5351710	199,00	199,00	45,00
License single (pepper.dll)		69,00	69,00	25,00
Update pepper.dll		30,00	30,00	

Price per workstation (e.g. cash desk)

UVP = Non-binding sales-price for end customer. Protected list price as the basis for calculating the maintenance fee. Prices in foreign currency available on request.

The conclusion of a user agreement is obligatory for the entire period of use. Concluded user agreements shall be automatically extended by one year unless the contracting parties proceed in accordance with clause IV 2 of the partner contract. The termination of use for single pepper or EFT connector licenses is possible up to 30 days before the renewal date in each case.

Upgrades from older versions of the DYNAMO | EFT Connector or the pepper component are only available to customers with an active user agreement. Without a valid user agreement, proper functionality of later versions cannot be assumed. AKQUINET cannot be held liable for this.

An update of the pepper.dll is required when the configuration is changed, e.g. terminal type, currency, language or when the partner in charge is changed.

DYNAMO | Partner discount

Module name	Purchase		annual fee	
	 with partner contract	 w/o partner contract	 with partner contract	 w/o partner contract
DYNAMO Payment DYNAMO Zahlungsverkehr	40 %	20 %	30 %	15 %
DYNAMO G/L Open Items & Application DYNAMO Sach-OP & Ausgleich	40 %	20 %	30 %	15 %
DYNAMO Customer & Vendor netting DYNAMO Debitorsch-kreditorische Verrechnung	40 %	20 %	30 %	15 %
DYNAMO EFT-Connector	15 %	not available	not available	not available

Basis ist der jeweilige UVP des Moduls. Kein Partnerrabatt auf Subscription / SPLA sowie auf Wartungsgebühren bei den DYNAMO | EFT-Connector-Modulen. Bezug der DYNAMO | EFT-Connector-Module ausschließlich mit gültigem Partnervertrag.
