Maintenance	Fee (on PLP)	Annual Fee [€] e.g. 5001910
Annual Fee	16%	240,00

Concluding a maintenance contract is obligatory for the first year after licensing a module. Maintenance contracts renew automatically for one year if the contracting parties do not act referring to no. IV 2 of the akquinet partner distribution contract.
Termination of the maintenance contract for single licenses is possible up to 30 days before the agreement runs out.
Please take notice of the following: Upgrading older versions of Microsoft Dynamics NAV is only available for customers with an existing Enhancement Plan. An existing Enhancement Plan is the prerequisite of proper functionalities of later versions. akquinet cannot be held liable for this.
Resumption of the maintenance contract means that the lapsed fee of 16% is invoiced up to three years maximum on the current PLP.
